- To pass the test, 60% of the questions must be answered correctly (6 out of 10).

Failed:

0-5

Passed:

6-10

NOTE: In case of failing any of the four exams (technique, throwing, methodology and questionnaire) or if the student wants to move up a category (from assistant coach to head coach), the student will have a second call at no additional cost. After this second exam, the student should contact PadelMBA management to see the next options and exams.

BLOCK 3 (Final Project and Continuous Training)

- Once blocks 1 and 2 (modules 1 to 6 and face-to-face training) have been passed, the student has to develop and present the planning for 4 sessions taking into account the following characteristics:
 - Level: choose between beginners, intermediate or advanced.
 - Number of students: choose between 2, 3 or 4 students.
 - Goals of the session: to your choice.
- The sessions must follow a logical progression, appropriate to the level and goals of the lesson and following the methodology learnt during the course.
- The time established for submitting the final project will be 30 calendar days, counting from the day on which the block 2 grades are available on the platform.
- The Project can be **PASSED** or **FAILED**.
- In case of a **PASS**, the student will be certified with the grade obtained in block 2 (assistant coach or head coach).
- In case of a **FAIL**, you will have a maximum of two additional opportunities.
- After these three opportunities (1+2), in case of **FAILING**, the student will have to contact PadelMBA management to see the following options.
- Block 3 of the Certified Padel Coach is associated with continuous training through modules 7, 8 and 9.
- The chapters of modules 7, 8 and 9 have evaluation questionnaires associated with them.
- Each questionnaire consists of 10 multiple choice questions, where only 1 answer is correct.
- To successfully pass each questionnaire you have to get 80% correct questions (8/10).
